

Standards of Professional Conduct for Assessors

ENVIRONMENTAL LABORATORY ACCREDITATION PROGRAM

I certify that to the best of my knowledge and belief:

1. I have no interests at play other than those of the accreditation body during the entire accreditation process.
2. I act impartially and do not give preferential treatment to any organization or individual.
3. I provide equal treatment to all persons and organizations regardless of race, color, religion, sex, national origin, age, and disability.
4. I do not use this position for private gain.
5. I do not solicit or accept any gift or other item of monetary value from any CAB, CAB representative or any other affected individual or organization doing business with, or affected by, the actions of the assessor's employer or accreditation body.
6. I do not hold financial interests that conflict with the conscientious performance of my duties.
7. I do not engage in financial transactions using information gained through my positions as an assessor to further any private interest.
8. I do not seek or negotiate employment or attempt to arrange contractual agreements with a CAB that would conflict with my duties and responsibilities as an assessor.
9. I do not knowingly make unauthorized commitments or promises of any kind purporting to bind an accreditation body; and
10. I attempt to avoid any actions that could create the appearance that they are violating any of the standards of professional conduct outlined here.
11. I meet the education, training and experience required by the TNI Standard and records of completion are available upon request.
