

REHS/RS Title and Credential Usage Survey Results

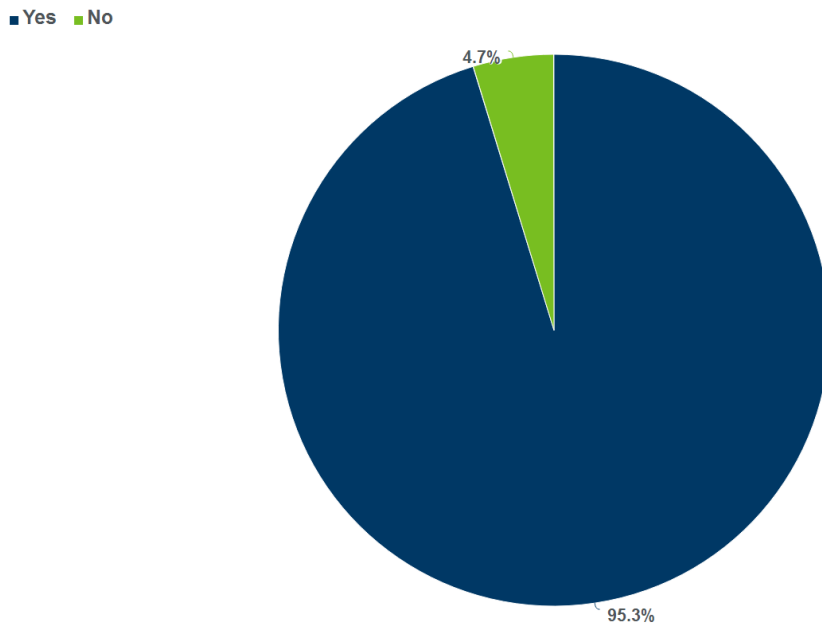

TOTAL NUMBER OF RESPONSES COLLECTED: 152

The responses below were gathered from the October 19, 2020, *REHS/RS Title and Credential Usage Survey*. The survey was sent to 440 affected persons. The survey was open for responses on October 18, 2020 and closed on November 2, 2020.

The results of this survey were added to the March 10, 2021 Registered Environmental Health Specialist/Registered Sanitarian Advisory Council (REHS/RS) agenda. The Council reviewed and discussed the results. A unanimous decision was made by the REHS/RS Advisory Council to make no changes to the REHS/RS title and credential usage during this rule revision.

Do you hold the Registered Environmental Health Specialist/Registered Sanitarian (REHS/RS) credential?

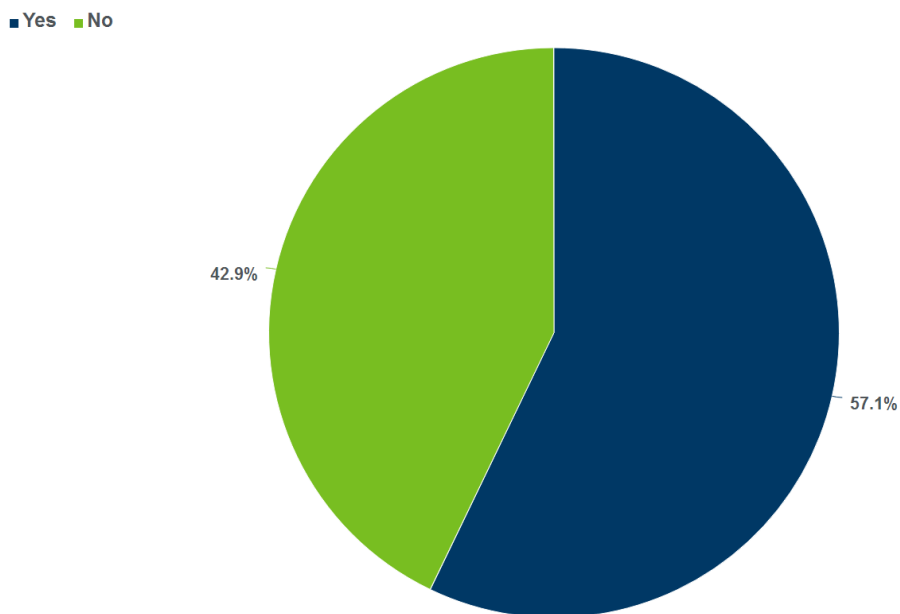

(Respondents could only choose a **single** response)

REHS/RS TITLE AND CREDENTIAL USAGE

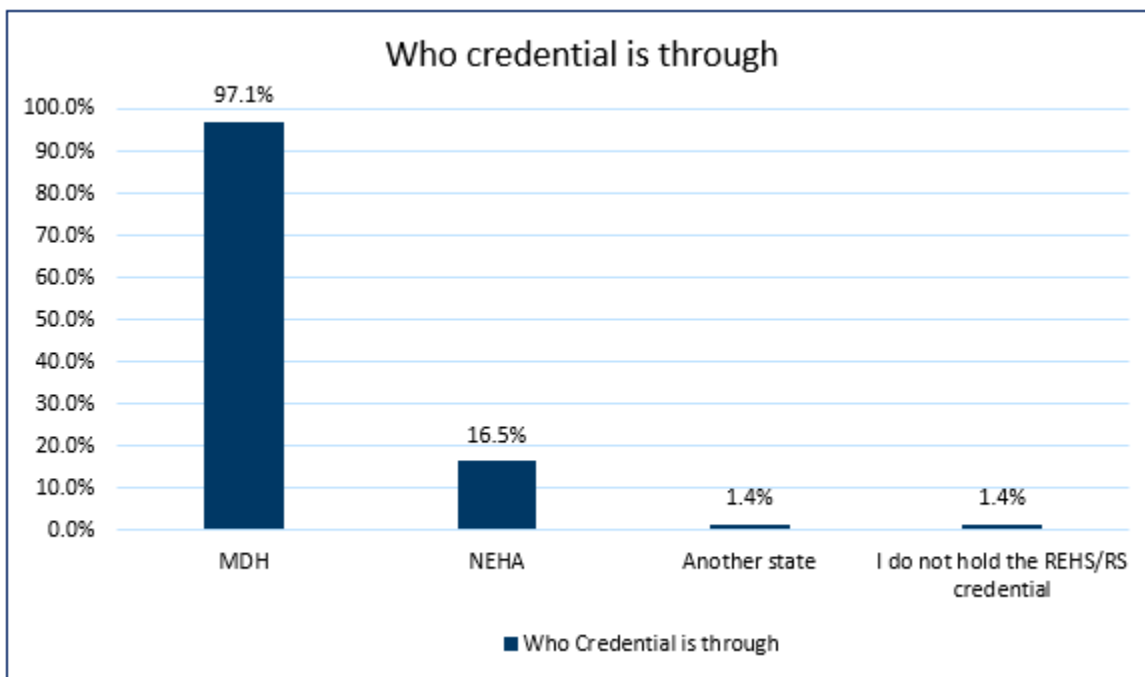

If you do not currently hold the REHS/RS credential, do you plan to apply for it in the future?

(Respondents could only choose a **single** response)

Is your REHS/RS credential through MDH, NEHA, and/or another state? (Choose all that apply)

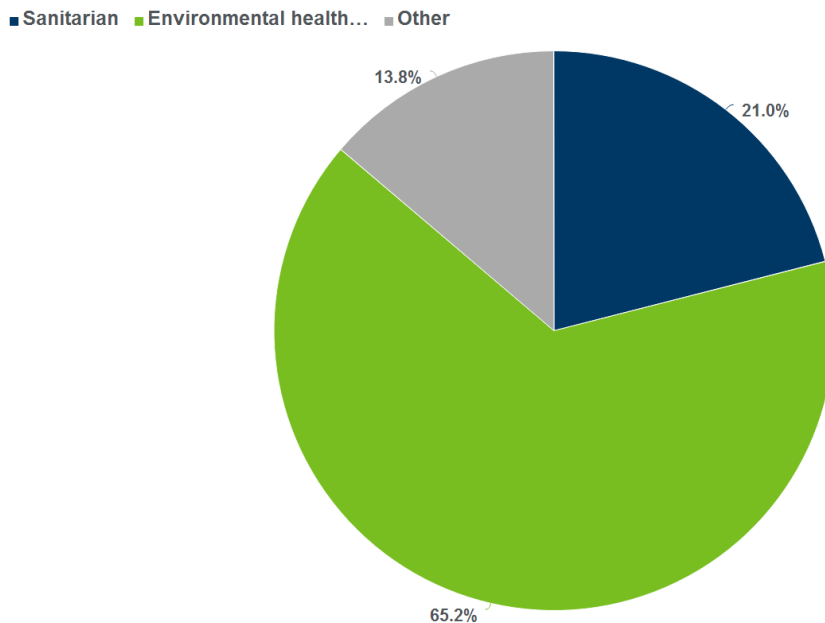

(Respondents could choose **multiple** responses)

REHS/RS TITLE AND CREDENTIAL USAGE

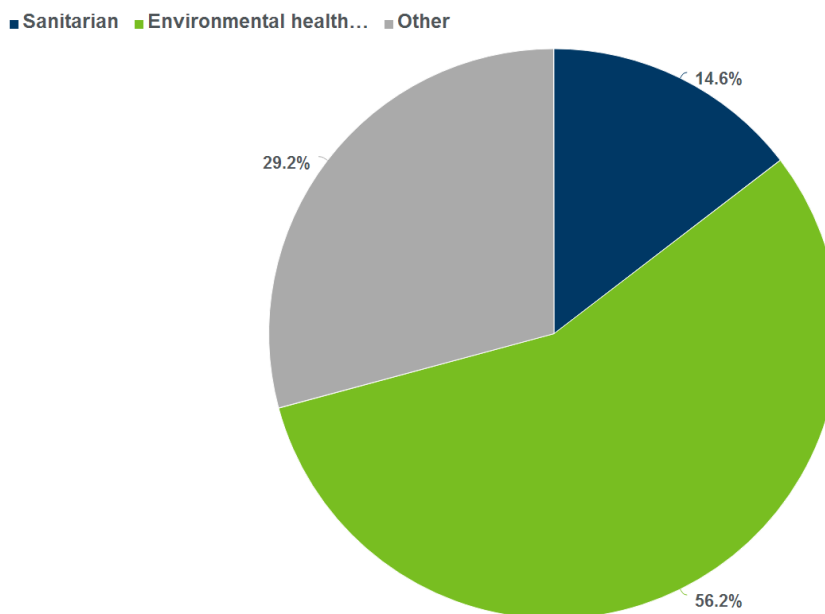

When meeting with others within the environmental health profession, I tell them that my professional job title is:

(Respondents could only choose a **single** response)

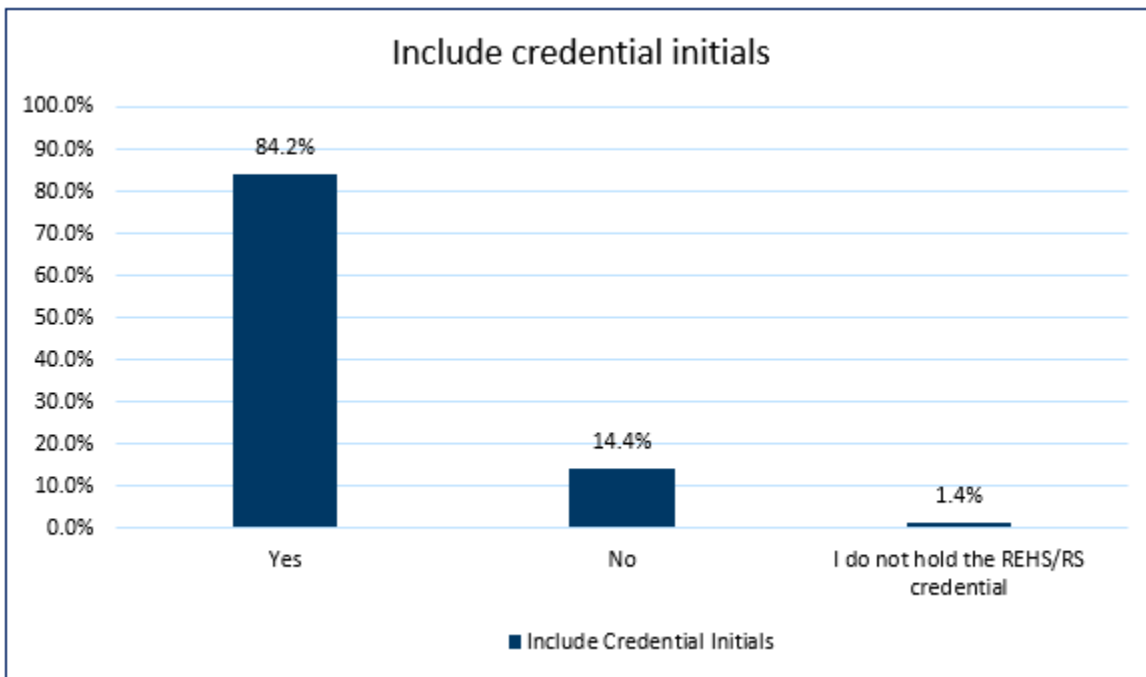

When meeting with the public, I tell them that my professional job title is:

(Respondents could only choose a **single** response)

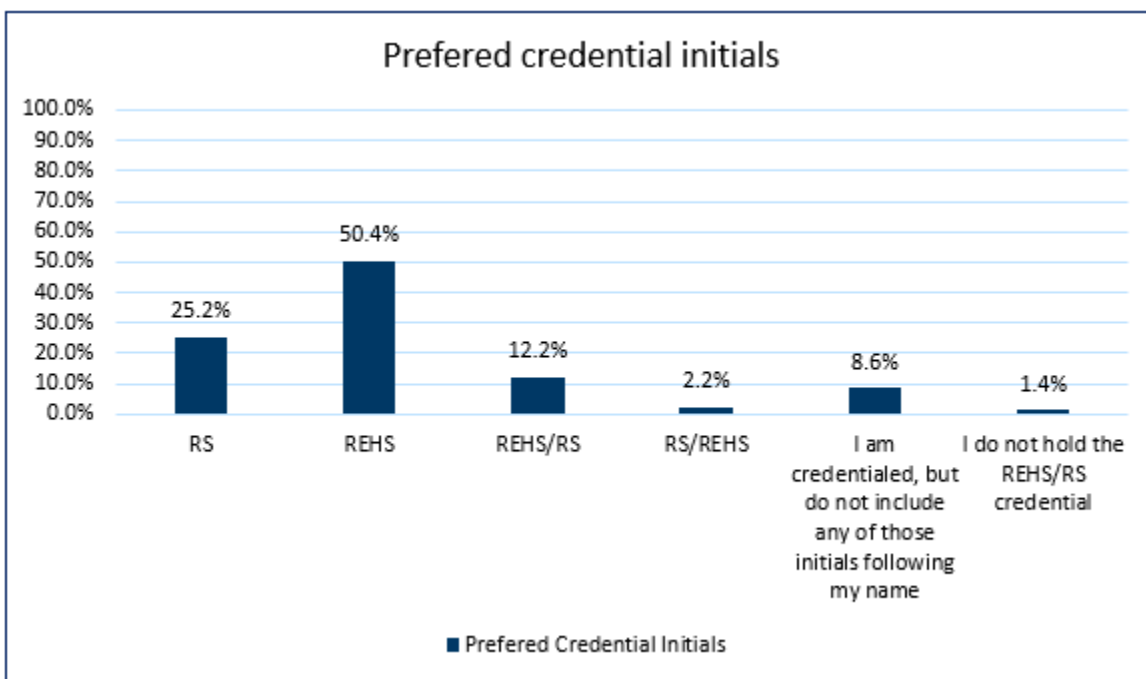

REHS/RS TITLE AND CREDENTIAL USAGE

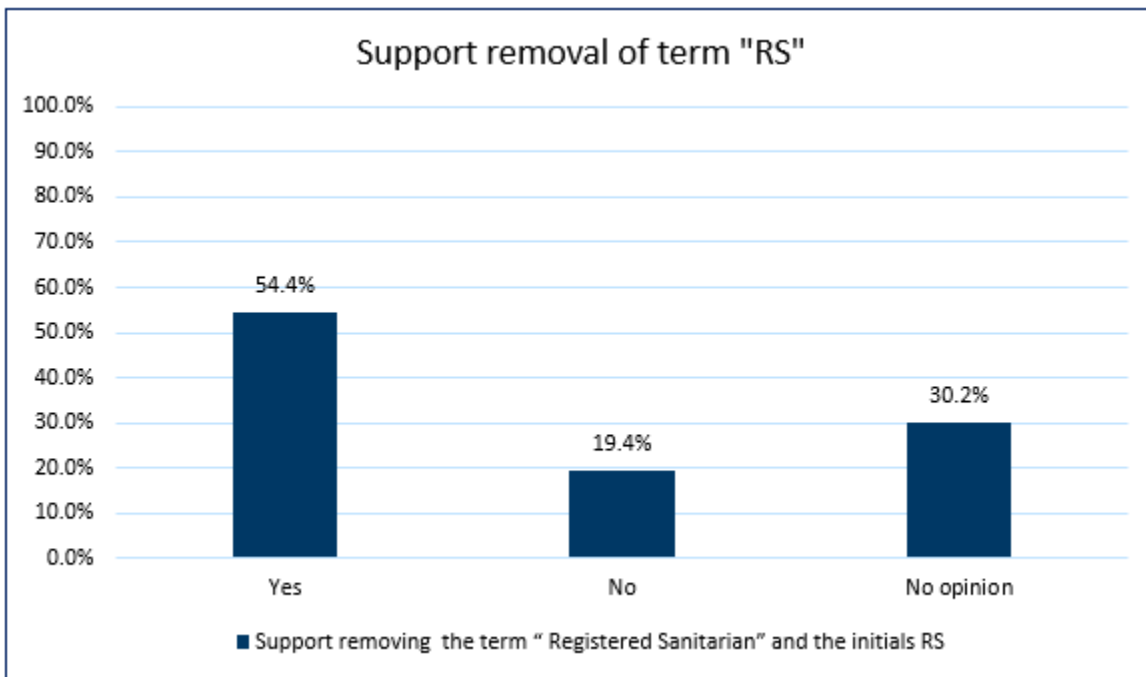

Do you include REHS/RS credential initials in your signature (such as on business card or email)?

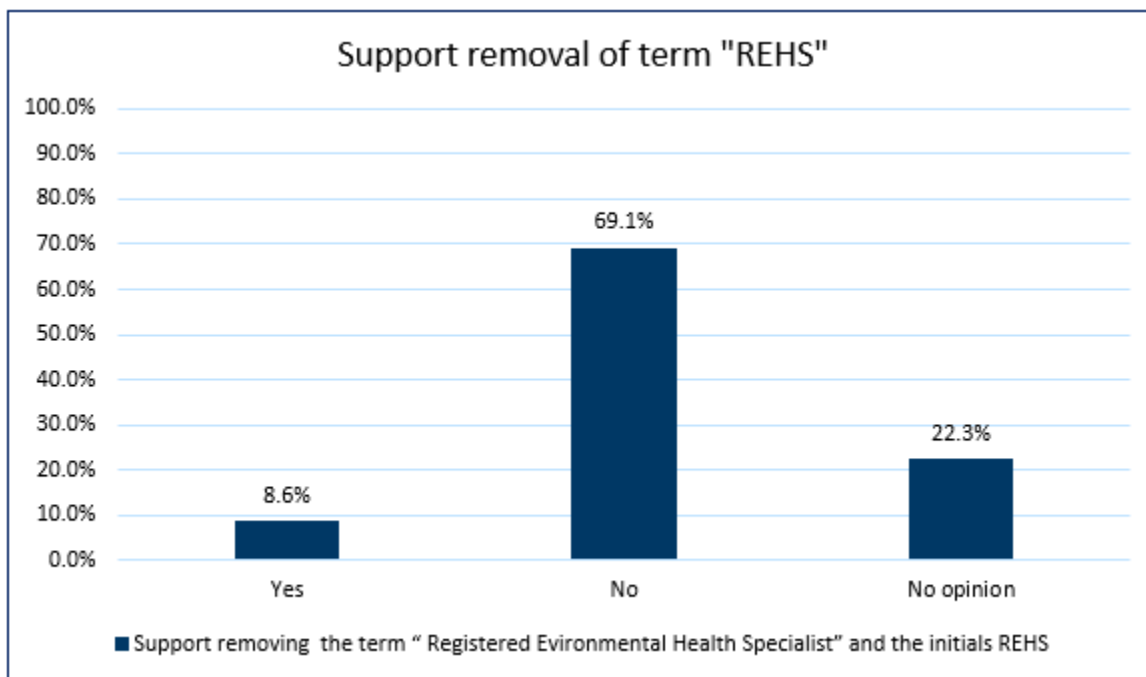

Which credential initials do you prefer to use (such as on business card or email)?

Do you support amending Minnesota rule parts 4695.2500 to 4695.3200 to remove the term “Registered Sanitarian” and the initials RS?

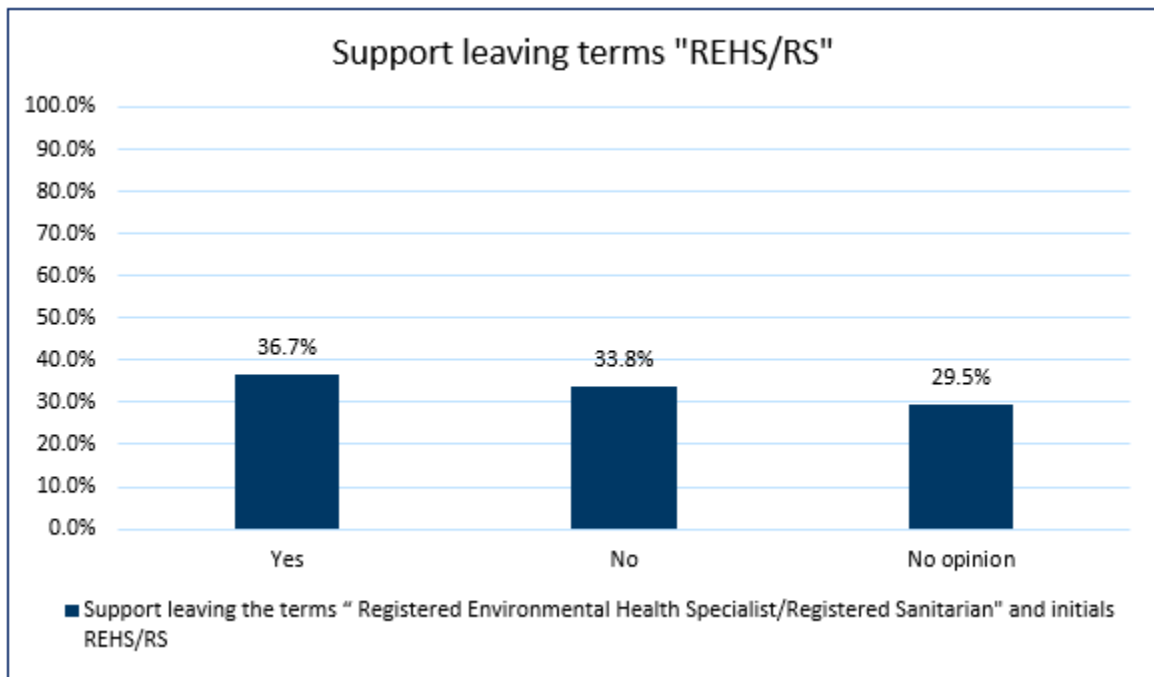

Do you support amending Minnesota rule parts 4695.2500 to 4695.3200 to remove the term “Registered Environmental Health Specialist” and the initials REHS?

REHS/RS TITLE AND CREDENTIAL USAGE

Do you support leaving Minnesota rule parts 4695.2500 to 4695.3200 as is, to include both terms “Registered Environmental Health Specialist/Registered Sanitarian” and the initials REHS/RS?
