

2019 Minnesota Antibiotic Stewardship Conference Focus on Patient and Provider Education

MONDAY, MAY 13, 2019 | 8:00 A.M. – 3:30 P.M. CT | WILDER CENTER

Objectives

Improve antibiotic stewardship in Minnesota through education and communication by:

- Understanding the nonclinical factors that shape antibiotic prescribing and the social factors that influence success in antibiotic stewardship.
- Learning evidence-based recommendations and clinical practice guidelines that improve antibiotic utilization and patient outcomes.
- Understanding how data has the potential to drive prescriber practices and behavior change.
