

FPHR Community of Practice 6.12.24 Policy Development & Support

Linda Kopecky | System Transformation Planner

This Space

A community of practice is a group of people who share a concern or a passion for something they do and learn how to do it better as they interact regularly.

This space is for...

- Informal conversations
- Increasing general knowledge
- Sharing ideas and challenges
- Wrestling with specific issues
- Bringing in subject matter experts
- Celebrating differences

This space is NOT for...

- Making decisions
- Judgements based on experience, geography, perspective, or other
- Specific questions about funding streams
- Excluding people or ideas

Policy Development & Support

Subject matter expert

Health in All Policies

Compliance and regulation

Equity in all policies

Glad to have all of you here!

Pick a responsibility (prior to the meeting) and identify issues to discuss and/or SMEs to invite

The flow of our Community of Practice meetings

Identifying takeaways for meeting notes and picking the next topic

Review the basics of the responsibility from the framework and PHAB summary document

Unpacking! Conversations about the responsibility using a variety of engagement tools

Sharing and summarizing conversations, making connections, identifying areas for future learning or discussion

Pick a responsibility (prior to the meeting) and identify issues to discuss and/or SMEs to invite

Review the basics of the responsibility from the framework and PHAB summary document

Unpacking! Conversations about the responsibility using a variety of engagement tools

Identifying takeaways for meeting notes and picking the next topic

Sharing and summarizing conversations, making connections, identifying areas for future learning or discussion

Policy Development & Support

Subject matter expert

Health in All Policies

Compliance and regulation

Equity in all policies

Subject matter expert:

Ability to serve as a **primary and expert resource** for establishing, maintaining, and developing basic public health policy recommendations that are evidence-based and grounded in law.

This includes **researching, analyzing, costing out,** and **articulating the impact** of such policies and rules as well as the ability to **organize support** for these policies and rules and place them before an entity with the legal authority to adopt them.

Policy Dev.
& Support

Equity in all policies:

Ability to effectively advocate for policies that address social determinants of health, health disparities and equity.

Health in All Policies:

Ability to effectively **inform and influence policies being considered by other governmental and non-governmental agencies** that can improve the physical, environmental, social, and economic conditions affecting health but are beyond the immediate scope or authority of the governmental public health department.

Compliance and regulation:

Ability to issue, promote compliance with or, as mandated, enforce compliance with public health regulations.

Pick a responsibility (prior to the meeting) and identify issues to discuss and/or SMEs to invite

Review the basics of the responsibility from the framework and PHAB summary document

The flow of our Community of Practice meetings
