

Refugee Adolescent and Women's Health Regional Training Meeting

Learn best practices with health care providers and community representatives to screen, care and maintain good health among women and adolescents with refugee status. In addition, expand your network of colleagues to help meet the particular needs for refugee women now and in the future.

Keynote: The Art of Women and Adolescent Refugee Health Care

Crista Johnson-Agbakwu, MD

Crista Johnson-Agbakwu, MD, MSc, FACOG, is an Obstetrician/Gynecologist at Maricopa Integrated Health System, Phoenix, AZ, where she is the Founding Director of the Refugee Women's Health Clinic. She is also a Research Assistant Professor of the Southwest Interdisciplinary Research Center (SIRC), which is a NIH-funded National Center of Excellence in minority health and health disparities at Arizona State University.
