

Sisters of St. Joseph of Carondelet

St. Paul Province

I am a Sister of St. Joseph and I love St. Joe's! Our Sisters started St. Joe's in 1853 to meet the needs of the time. We need St. Joe's to continue to meet the needs of the time, especially serving the needs of the mentally ill and the chemically dependent.

I am not against Region's Hospital adding 100 additional beds, but I ask you to wait to make the decision until the Minnesota Department of Health has completed its report.

Sincerely,
Sister Suzanne Herder, CSJ
