Dear Commissioner Malcolm,

Does it matter if St. Joseph's Hospital in St. Paul closes? When Health Partners (HP) and its hospital, Regions, recently requested an additional 100 beds requiring an exception to an existing hospital building moratorium, in S.F. 2892 / H.F. 3202, we became alarmed at how this seemingly simple exception could impact our whole state. We ask that this **legislation not be voted on until the Minnesota Department of Health provides a complete and thorough assessment of this exception's impact on healthcare delivery in Saint Paul and the State of Minnesota.**

We are concerned that this exception could result in the loss of:

- St. Joseph's Hospital in St. Paul. (That would be a loss of approximately 200 active beds and about 1400 employees.)
- 105 inpatient beds in St. Paul dedicated to caring for patients experiencing mental health and chemical dependency crises.
- St. Paul's only Catholic Hospital.

Long term, we believe this legislation could limit access, harm patients, and hurt area community hospitals while directly benefitting Regions/HealthPartners over its competitors. This includes people suffering from mental health and addiction issues.

Thirty four years of my active ministry in Spiritual care were at St. Joseph's Hospital. I am still there for casual ministry. This is not just a Catholic hospital it is an icon in our twin cities where life + death are a mission + where they are met with love + care + openness! There is a legislation in place

In the 165 years since the St. Paul Province of the Sisters of St. Joseph of Carondelet (CSJs) founded St. Joseph's Hospital, we have given our lives in service to our "Dear Neighbors" most in need throughout St. Paul, Minnesota and beyond. We are concerned that this decision could disrupt healthcare services statewide.

Sincerely, Sr. Ann Michel

disrupting this situation. Please do not allow a vote until honest assessment can take place.

What honest + valid reason is
there for requesting an exception without
open + honest communication with all
parties involved?

Do the right things!
