

Agenda: Minnesota e-Health Advisory Committee Meeting | October 13, 2026

Meeting objectives

- Strengthen connections and foster collaboration between new and returning Advisory Committee members.
- Orient members to and establish context for the committee's proposed work plan.
- Engage with and provide input on key e-health activities occurring in the state: MnSHINE, the Rural Health Transformation Program (RHTP), and Minnesota Department of Health (MDH) data modernization efforts.
- Discuss and shape the work plan by identifying feasible priority activities, opportunities and barriers, what success looks like, and any learning needs.
