Re: **COVID-19 and RSV mAb on Regular Order Form**

Please route to:

- Clinical supervisor
- Medical director
- Clinic manager
- Clinic staff
- Pharmacy
- Vaccine staff

Starting today, providers can place orders for MnVFC COVID-19 vaccine and respiratory syncytial virus (RSV) monoclonal antibody (mAb) in the regular vaccine order form in the Minnesota Immunization Information Connection (MIIC). You will no longer place separate requests for these products on the special events page in MIIC.

We plan to have RSV mAb on the regular order form until the administration season ends.
